## LIFE SKILLS ADVANCED OBEDIENCE REGISTRATION 201 (2023)

Life Skills Advanced Obedience 201 is for dogs that have completed the Life Skills Foundation Obedience 101 class. The Life Skills Advanced Obedience 201 is a 7-week session that builds on the Life Skills Foundation 101 behaviors that were taught.

The class uses that foundation of skills to test those skills in real life set-up situations in a safe and controlled environment. We work out of our gated areas much more and will add distractions of other dog and handler teams working at the same time with distance. We will continue to incorporate the Bed/Mat work as we hone our skills. As always in Life Skills Obedience, we look at the dog and handler teams as individuals and the exercises are tailored accordingly.

Life Skills Advanced Obedience 201 is a lot of fun! You will be amazed to see everything come together! Your dog is happy to be working with you. Those pesky distractions are now just acknowledged by your dog as he walks on by. We hope you will join us on your journey to being Real World Ready!
