PUPPY PRESCHOOL TRAINING COURSE (2024):

Puppy Preschool is open to pups 8-16 weeks old at the start of the course. This is 7-weeks of progressive learning for you and your puppy. Adapted from "Sirus Puppy Training" by Dr. Ian Dunbar with emphasis on impulse control (self-control) such as jumping and mouthing. The course structure includes off-leash socialization with puppies and people. Basic obedience work such as, sit, down, leash walking and building a foundation recall are covered. Educational information is discussed such as proper puppy rearing, avoiding unwanted behavior, crate training, housebreaking, nutrition, and good management. Cooperative handling is introduced to help teach your puppy to be comfortable with the handling they will experience at the Veterinarian and groomer. Upon completion of Puppy Preschool, students can move onto the next level of any 101 obedience training. This course has a limited enrollment of 6-8 students. **Cost is \$200.00 plus tax = \$212.70**
