K9 NOSE WORK® COURSE REGISTRATION 2024 (for all courses):

This 6-week course will use your dog's natural scenting ability. If your dog has a nose, they can participate. There are no obedience pre-requisites, but your dog does have to be able to stay quietly in your car while other dogs take their turns. This course will teach your dog to use their natural ability to hunt and scent. Nose work will give your dog an opportunity to burn mental and physical energy while building confidence and strengthening your relationship with your dog. Course enrollment is limited to 7 students. Cost is \$180.00 plus tax= \$191.43.

Dogs work independently. Dogs are to be left in cars or wait at their car.

NOTE: Fees are non-refundable after the first meeting of the course.

****Bitches that go into season are allowed as long as they wear seasonals while attending class. ****

TO REGISTER: Call the office to get on our wait list for the next available date for the Introduction course. You can also go to www.willoughbytraining.com and submit an email to the instructor to determine your level if you have done NW elsewhere. Payment, registration form and vaccine verification will be done on day 1 of the course.

VACCINATIONS: All new students or students who have not had vaccination history verified by CSC in the last 6 months, please bring your dog's vaccination history to the first night of class, including proof of rabies (please provide a copy of the rabies certificate), DHPP (Lepto optional) and vaccination is highly recommended for canine cough (Bordatella). Passing titers are acceptable for the DHPP requirement. Nosodes are allowed for dogs over 1 year of age when accompanied by a health certificate from a licensed veterinarian dated no longer than 15-days prior course start date. If this is the first Nosework class you are attending, you must bring your dog's vaccination history.

🐾 Please DO bring your dog to the first night of class as all class weeks are active training.

For further preparation, dogs will need a non-correcting collar, buckle or quick-snap and a light 6-foot leash. Gentle Leaders and Easy Walk harnesses will not be allowed as they impede the dog's forward motion. We do not allow prong collars or nylon/chain chokes in pet obedience courses. Bring plenty of soft, high value, **SMELLY** treats in tiny pieces such as salmon, tuna, liver, hot dog in a treat bag. If you have any other questions, please call.
