## LIFE SKILLS FOUNDATION OBEDIENCE REGISTRATION 101 (2024)

Life Skills Foundation Obedience is a 7-week course designed for all dogs 16 weeks and older. No prerequisites. A great course whether your dog has had obedience training or not. It is a perfect course for family dogs, sports/competition dogs and dogs that struggle to focus, settle, walk on lead and recall etc. We learn to recognize 'Who is our dog?' and then train each dog as an individual.

This course is more than basic obedience. The teaching builds a relationship, connection, bond and trust with our dog. It is a course that teaches focus, self-control and desire for proximity to us among other skills that are a complement to the basic obedience skills (sit, down, stand and stay). Each dog will also learn to go to 'place' and each lesson includes practice on a raised bed along with the weekly lesson. With these combined skills, your dog will learn a foundation of life skills that will enable them to have great manners and to make the right decisions when faced with the unpredictability of real-world situations.

LIFE SKILLS ADVANCED OBEDIENCE 201 is the follow up course to 101 and is strongly recommended to take your dog to the next level of amazing by building on the foundations learned from 101.

A well-mannered dog is not achieved in a mere 7 weeks. It is a commitment, a challenge, a relationship and a goal.
